You will see a prompt. Tap the Share button, then select **Add to Home Screen**.

The app is installed and added to your home screen. Tap the icon and enjoy the app! 😊

Guida all'installazione

Sistemi Android e iOS

Map4Accessibility è una Progressive Web App e si può scaricare solo dal sito del progetto. Quindi, vai su <u>https://map4accessibility.eu/</u> con il tuo browser del cellulare e clicca su **dowload app**

Oppure scansiona il seguente QR code

Nei sistemi Android, a seconda delle versioni, abbiamo due opzioni per installare l'applicazione dopo aver avuto accesso al download,

OPZIONE A - Aspetta un momento e verifica se il messaggio **"Aggiungi a schermata Home" o Add Map4Accessibility to Home screen**" appare nello schermo. In questo caso clicca su si esso e procedi con l'installazione.
